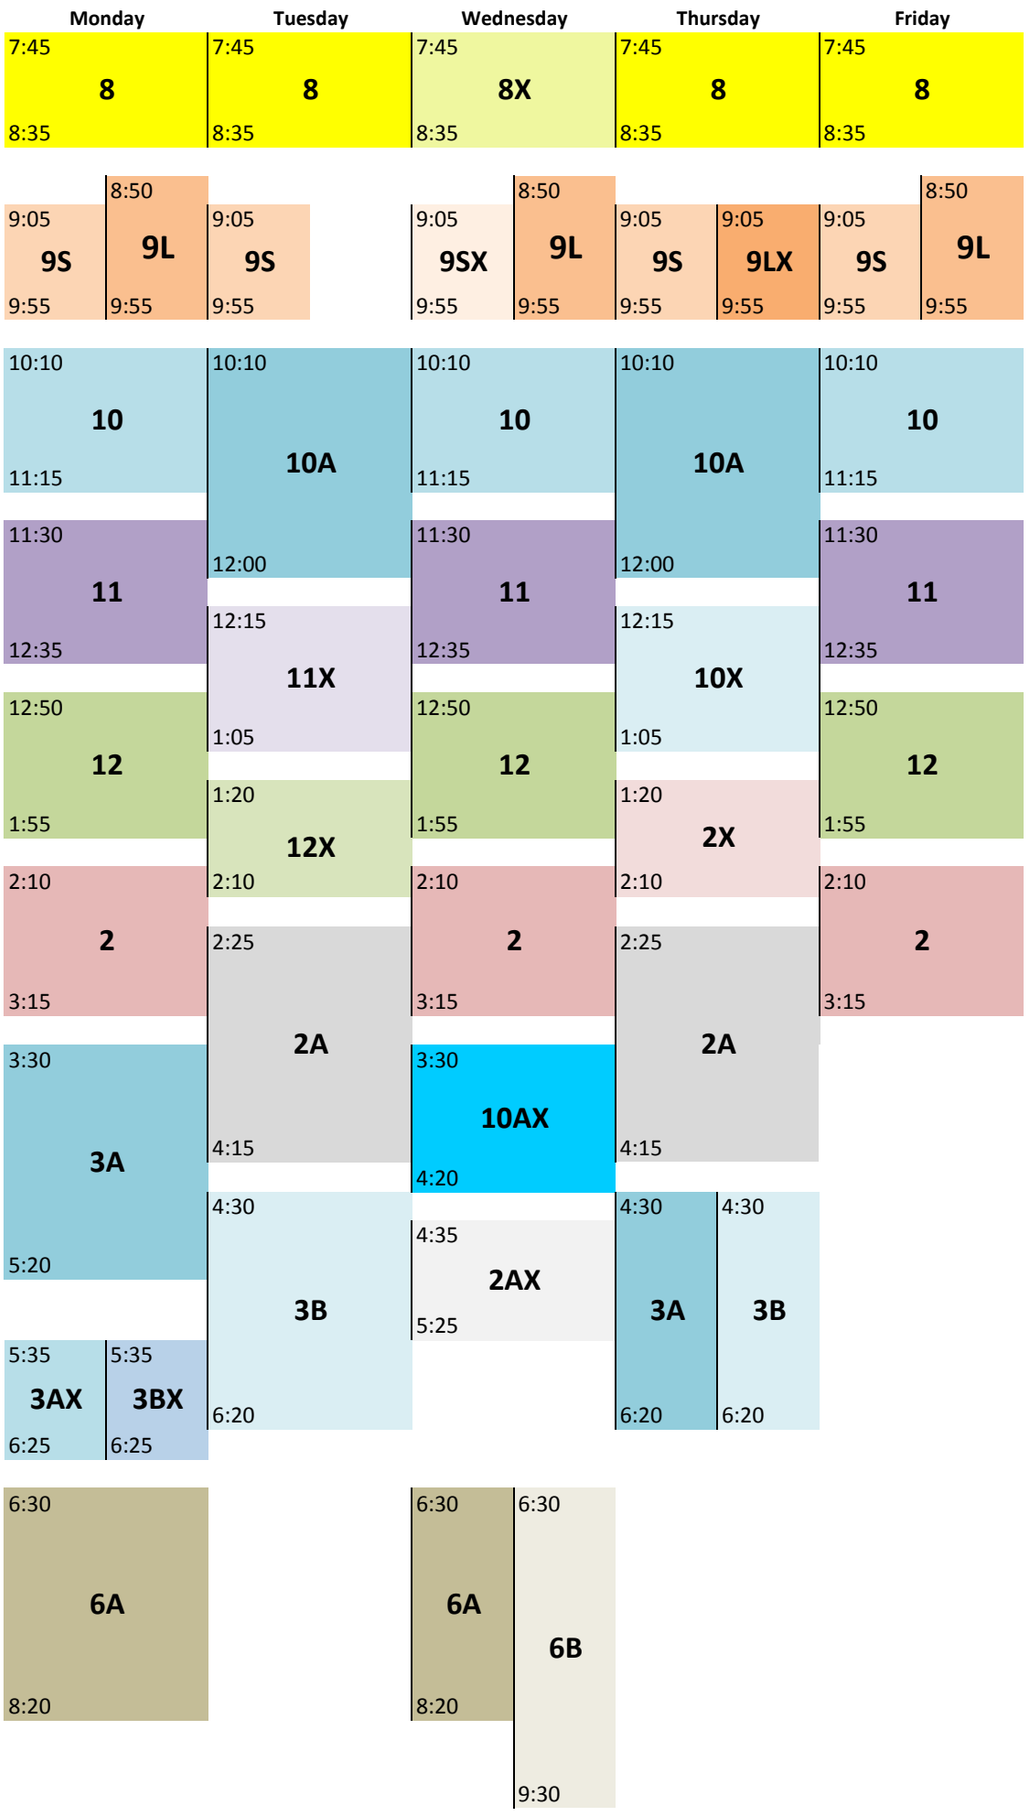
New Class Schedule
(Effective summer term 2016)

What has changed?


- Meeting start and end times for all time periods (except 8) have changed. This includes the x-hour periods.
- While the codes (2A, 11, 10A, etc.) used on the Timetable of Class Meetings may look the same the time periods they represent have changed.
- The time between class periods is now fifteen (15) minutes rather than ten (10).
- There are two new early evening time periods: 6A and 6B. (no x-hours for the 6A and 6B)
